CAREER OBJECTIVE

Web Developer with an established skill set and personal attributes that support the transition from education to full-time employment. Passionate about usability and optimizing code, I'm looking for a challenging Developer role in an environment that encourages learning and professional growth. I am eagerly seeking employment opportunities to obtain an entry-level position where I can gain valuable experiences while utilizing my current tech stack to create efficient web solutions.

PROFESSIONAL EXPERIENCE

ASSOCIATE BANKER

JP Morgan Chase & Co | Brooklyn, NY | Feb 2020 - March 2022

- Worked to deliver the highest level of client service possible.
- Referred clients to in-house financial experts as needed.
- Developed relationships with clients through regular communication to understand their financial needs.
- Participated in weekly meetings with team members discussing progress towards goal set by management.

BARISTA

Starbucks Coffee Company | Queens, NY | Jun 2016 - Jan 2020

- Brought forth a positive and self-motivated attitude.
- Provided the highest level of customer service.
- Demonstrated ability to work collaboratively with customers and colleagues to create a positive experience .
- Memorized or referenced readily accessible information to relay to customers.
